

Welcome to the Parent Advisory Council

Did you know every parent of the school sits on the PAC?

What is the PAC?

- A way to get involved with the school to promote a cooperative community
- A way to meet new parents by volunteering for events throughout the school year
- Raising funds to purchase items the school would not otherwise have (i.e. school playground, additional learning materials, musical equipment, supplementary teaching supplies, dance/sports lessons)
- All parents and guardians of students registered in the school are automatically voting members of the PAC that help make decisions on spending for the school
